

How long will it take to review my plans?

See table below for TARGET timelines. These are approximations and not guarantees. All days are BUSINESS days, and do not include weekends or holidays. Add 2 days at the front and back end of the plan review to allow time for processing and routing.

Routing to reviewers once fees are paid	2 days – ADD THIS TIME TO ALL REVIEWS
Projects under \$100,000 valuation	15 days
Projects over \$100,000 and under \$1,000,000	20 days
Projects over \$1,000,000	20-40 days, depending upon complexity
Small residential solar projects under 10kw	3 days
Other solar projects and electric storage systems	5 days, more if complex
Signs and mock-ups	10 days
Revisions and back checks	10 days (we try to prioritize these and will expedite if possible)
Routing to applicant after review is complete	2 days – ADD THIS TIME TO ALL REVIEWS
