

**CITIZEN PARTICIPATION PLAN
CITY OF MONTEREY
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
AMENDED MAY 14, 2020**

I. PURPOSE

This Citizen Participation Plan (CPP) is intended to provide citizens an adequate opportunity to participate in an advisory role in planning, implementing, and assessing the Community Development Block Grant (CDBG) Program of the City of Monterey (City), as required by federal regulations from the U.S. Department of Housing and Urban Development (HUD) in 24 CFR Part 91.105.

Interested groups and individuals are encouraged to provide input into all aspects of the City's consolidated planning activities – from assessing needs and setting priorities through performance evaluation. This CPP offers numerous opportunities for citizens to contribute information, ideas, and opinions about ways to provide decent housing, establishing and maintaining a suitable living environment, and expanding economic opportunities, particularly for low and moderate-income persons.

II. SCOPE OF FEDERAL REQUIREMENTS

This CPP sets forth policies and procedures to provide for and encourage participation by the citizens of Monterey in the development of the Assessment of Fair Housing (AFH), the City's Consolidated Plan for Housing and Community Development (Consolidated Plan), the annual Action Plan and to the preparation of the Consolidated Annual Performance and Evaluation Report (CAPER) that evaluates progress toward the Consolidated Plan objectives. The CPP also applies to any substantial amendments to these plans. The City submits a Consolidated Plan to HUD every five years and an Action Plan to HUD every year. These documents are due to HUD by May 15. The CAPER is submitted to HUD by September 30 each year.

III. IMPLEMENTATION DATE

The CPP of May 1, 1988, is hereby amended by the City Council of Monterey, to take effect May, 14 2020.

IV. STANDARDS OF PARTICIPATION

The City shall provide a process of citizen participation at the community-wide level.

- A. All aspects of citizen participation shall be conducted in an open manner, with freedom of access for all interested persons.
- B. In developing its AFH, Consolidated Plan, Annual Action Plans, Substantial Amendments, CAPER, and applications to HUD, the City will take appropriate actions to encourage the participation of all its citizens including:
 - Low and moderate income (LMI) persons, particularly those living in areas where federal funds are proposed to be used;
 - Residents of predominantly low and moderate income neighborhoods, especially those residing in low and moderate-income (LMI) Census Tract Block Groups;
 - Minorities;
 - People with Limited English Proficiency (LEP);
 - People with Disabilities;

- Residents of public and other assisted housing developments (including any resident advisory boards, resident councils, and resident management corporations); and
 - Local and regional institutions, the regional Continuum of Care and other organizations, both public and private (including businesses, developers, nonprofit organizations, philanthropic organizations, and community-based and faith-based organizations).
- C. Citizens shall be provided adequate and timely information so as to enable them to be meaningfully involved in important decisions at various stages of the CDBG program.
- D. To facilitate citizen participation, City staff shall provide technical assistance to citizen organizations, groups of low- to moderate-income persons, and residents of affected neighborhoods which request assistance in developing proposals.

V. SPECIFIC ACTIONS TO BE TAKEN BY THE CITY

A. Public Hearings

- The City of Monterey will conduct at least two public hearings each year to obtain citizens' views and to respond to proposals and questions. The hearings are usually held before the Planning Commission and/or before the City Council. Hearings will take place at different stages of the consolidated planning process and together address:
 - Housing and community development needs;
 - The proposed use of program funds, and
 - Program performance during the past year.

Additionally, early in the planning process for the Consolidated Plan and Annual Action Plan the Housing Programs Office will advertize and host a public meeting to solicit input on unmet community needs and provide technical assistance regarding CDBG grant application procedures. This meeting is usually held in January.

- Approval of Plans. A minimum of two public hearings will be held to adopt the Consolidated Plan. Two public hearings will also be held annually to adopt the Action Plan. These two public hearings will usually be held in April before the Planning Commission for public comment and recommendation to the City Council, and in May for further public comment and approval decision by the City Council. Typically, the public hearing process includes publication of an agenda report summarizing the plan's key features, a staff presentation at the hearing, response to questions from the Commissioners, Council Members and public, public comments and discussion between Commissioners, and discussion between Council Members. Ultimately the at the Planning Commission public hearing the Planning Commission will vote to recommend the Action Plan to the City Council. The Planning Commission may vote to recommend the Action Plan as presented, recommend the Action Plan with changes, or recommend it be denied. A similar process will be followed for the City Council public hearing with the Council concluding the hearing with a decision to approve the Plan as submitted, approve with revisions or decline to approve the plan.
- Use of Funds. In addition to the proposed use of CDBG funds received from HUD and revenue received as program income from past year HOME Investment Partnerships activities, such as down payment assistance loan pay offs, the consolidated plan will

include Housing Asset Funds. Housing Asset Funds are revenues received from past activities of the former City of Monterey Redevelopment Agency. They are required to be used to improve housing opportunities for low and median-income households and they are leveraged with CDBG and HOME funds to assist implementing the City's low and moderate-income housing programs.

The information provided to the public on or before the public hearing will include:

- The amount of assistance the City expects to receive (including grant funds and program income)
 - The range of activities that may be undertaken
 - The estimated amount of funding that will benefit persons of low and moderate incomes
 - The City's plan to minimize displacement of persons and to assist any person displaced, specifying the types and levels of assistance the City will make available (or require others to make available) to persons displaced, even if no displacement is expected to occur.
 - The information will be presented at the public hearing and is contained in the text of the Consolidated Plans and Annual Action Plans under review. At least one public hearing will be held before the proposed AFH is published for comment.
- Annual Performance Report. HUD requires every jurisdiction receiving CDBG funds to prepare and submit a Consolidated Annual Performance Evaluation Report (CAPER) within 90 days of the close of the program year. The CAPER will be reviewed for approval at a Public Hearing before the City Council. The CAPER is required to be submitted to HUD no later than September 30th and the public hearing to review program performance during the past year and solicit feedback on the City's housing and community development needs will typically be held in September.

B. Public Hearing Notices and Outreach

- Information about the time, location and subject of each hearing will be provided to citizens at least five (5) days in advance by the publication in a local newspaper, via email distribution lists, and via publication on the City's website, www.monterey.org/housing, and other social media and outreach mechanisms as developed by the City's Communication Office and approved by the City Manager's Office. Targeted outreach developed specifically for informing low and moderate income persons, residents of LMI Census Tract Block Groups, minorities, residents of public and other affordable housing, and persons with disabilities will take place via email distribution of notices to providers of services to these populations. Published notices will be translated in Spanish. Outreach to neighborhood organizations, local businesses, nonprofit organizations, philanthropic organizations, and other community-based and faith-based organizations, will take place via notices sent to these organizations via email and/or regular mail (Example Notices 1 -4 attached).
- Every effort will be made to ensure that public hearings are inclusive. Hearings will be held at convenient times and locations, in places where people affected by proposed activities can attend. If notice is given at least twenty-four (24) hours before a hearing date, the City will provide appropriate materials, equipment and interpreting services to facilitate the participation of non-English speaking people, people with disabilities, elderly and or people with visual and/or hearing impairments. Interpreters will be provided at public hearings where a significant number of non-English speaking residents can be

reasonably expected to participate. The public may contact the Housing Programs Office by calling (831) 646-3995, or by calling 7-1-1.

- The City may maintain a list of citizen groups with special interest in Monterey's community development program. At least five (5) days before each public hearing, each group will be mailed or emailed notice of the time, date, place, and purpose of the meeting. These groups shall represent a broad cross-section of the community, including the elderly, handicapped, minorities, female heads of household, low-and moderate-income persons, neighborhood associations, social action groups, and the media. It is not necessary that actual low- to moderate-income, elderly, handicapped, minority, or female head of household persons represent these groups, but only that the interests of such persons be reasonably represented.
- In accordance with the four factor analysis of Persons of Limited English Proficiency (LEP) and the Language Access Plan the City shall provide notices of public hearings in such identified language(s). The four factor analysis requires an evaluation of the potential number of LEP individuals in the community, the frequency with which LEP individuals interact with housing programs, a determination of the programs most important to LEP individuals and an assessment of the City's financial and personnel resource capacity to provide language services. At this time, Spanish is the only identified language for LEPs.
- In accordance with HUD COVID-19 guidance and waivers, the City allows for Virtual Meetings and public comment for the proposed use of all Department of Housing and Urban Development funds. In-person public hearings are not required. The City of Monterey may meet public hearing requirements with virtual public hearings if: 1) national/local health authorities recommend social distancing and limiting public gatherings for public health reasons; and 2) virtual hearings provide reasonable notification and access for citizens in accordance with the City's certifications, timely responses from City officials to all citizen questions and issues, and public access to all questions and responses.

C. Publication of the Proposed AFH, Consolidated Plan and Annual Action Plans

- To develop a successful affirmatively furthering fair housing strategy, and in accordance with the Affirmatively Further Fair Housing rule, the City will assess the elements and factors that cause, increase, contracture to, maintain, or perpetuate segregation, racially or ethically concentrated areas of poverty, significant disparities in access to opportunity, and disproportionate housing needs. To accommodate the new AFH format, the City will take the required steps to ensure that analysis is undertaken pursuant to 5.154 that requires consultation and community participation in the analysis of fair housing data, an assessment of fair housing issues and contributing factors, and an identification of fair housing priorities and goals.
 - Pursuant to § 91.1 00(a) (1), the City shall consult with other public and private agencies that provide assisted housing, health services, and social services, including those focusing on services to children, elderly persons, persons with disabilities, persons with HIV/AIDS and their families, and homeless persons.
 - Pursuant to § 91.100(a)(5), the City shall also consult with community-based and regionally-based organizations that represent protected class members and organizations that enforce fair housing laws when preparing both the AFH and the consolidated plan. The City's consultation process may include consultation

with regional government agencies in addition to adjacent units of general local government and local government agencies. This includes local government agencies with metropolitan-wide planning and transportation responsibilities, particularly for problems and solutions that go beyond a single jurisdiction.

- The City will publish its AFH, Consolidated Plans and Annual Action Plans in a manner that affords citizens, public agencies, and other interested parties a reasonable opportunity to examine its contents and submit comments. The proposed AFH, Consolidated Plan and Annual Action Plan (or “public comment draft”) shall include:
 - The amount of assistance the City expects to receive (including grant funds and program income)
 - The range of activities that may be undertaken, including the estimated amount of funding that will benefit persons of low and moderate incomes
- A Notice about the availability of the proposed AFH, Consolidated Plan and/or Annual Action Plan and review period will be published in a newspaper of general circulation at the beginning of the required public comment period. The final version of the AFH, Consolidated Plan and/or Annual Action Plan as submitted to HUD will also be posted on the City’s webpage.

E. Amending the Consolidated Plan and the Annual Action Plan

HUD regulations at 24 CFR Part 91.505 require amendments to the Consolidated Plan and Annual Action Plans whenever an entitlement jurisdiction:

- Makes a change in its allocation priorities or a change in the method of distributing funds;
- Becomes aware of HUD-imposed regulatory changes guiding planning, reporting, monitoring, and evaluation requirements;
- Carries out an activity, using funds from any program covered by the Consolidated Plan (including program income) not previously described in the Action Plan; or
- Changes the purpose, scope, location, or beneficiaries of an activity.

Some amendments will be considered substantial while others will be considered non-substantial. All non-substantial amendments, including those required by HUD regulations, will be considered narrative changes to be completed by the City Manager in consultation with City staff, and will be published in the plans and online within a reasonable time after they are made. A proposed amendment is considered substantial when:

- Changes in the use of CDBG funds from one eligible project to another (for example, from housing rehabilitation to public services).
- A proposed action or change that may create a significant community impact. A significant community impact is defined as either:
 - Any federal grant-funded project or activity that results in a significant environmental impact as that term is defined pursuant to the National Environmental Policy Act (NEPA) (42 U.S.C 4231 *et seq.*); or
 - Any federal grant-funded project or activity that generates relocation of at least 20 resident households and/or two existing businesses which are subject to the federal Uniform Relocation Act (42 U.S.C 4601 *et seq.*, 42 USC 4621 *et seq.*, and U.S.C 4651 *et seq.*),

Additionally, City Housing Program staff will select and include in Annual Action Plans alternate housing and public infrastructure projects that can be implemented if projects approved by the City Council are rejected by HUD, or if approved projects subsequently are determined to be ineligible or are unable to proceed.

The need to prepare a substantial amendment shall trigger use of the public participation requirements described below.

F. AFH Revisions

Under HUD regulations at 24 CFR 5.164, An AFH previously accepted by HUD must be revised and submitted to HUD for review under the following circumstances:

- A material change occurs. A material change is a change in circumstances in the jurisdiction of a program participant that affects the information on which the AFH is based to the extent that the analysis, the fair housing contributing factors, or the priorities and goals of the AFH no longer reflect actual circumstances. Examples include Presidentially declared disasters, under title IV of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 *et seq.*), in the program participant's area that are of such a nature as to significantly impact the steps a program participant may need to take to affirmatively further fair housing; significant demographic changes; new significant contributing factors in the participant's jurisdiction; and civil rights findings, determinations, settlements (including Voluntary Compliance Agreements), or court orders; or
- Upon HUD's written notification specifying a material change that requires the revision.
- The timeframe for revision will be carried out in accordance with 24 CFR 5.164

G. Public Notice and Public Comment on Substantial Amendment and/or AFH Revisions

Once drafted, the City of Monterey shall make the substantial amendment public prior to approval by the City Council. Notice and opportunity to comment will be given to citizens through public notices in local newspapers and other appropriate means, such as the targeted distribution lists described above. A public comment period of not less than five (5) days will be provided prior to implementing any substantial amendments to the Consolidated Plan, Annual Action Plan, and/or AFH. Housing Programs Office staff will prepare a summary of all comments received, and, in cases where any citizens' views are not accepted, provide reasons for the decision. This documentation will be attached to the substantial amendment, which will be available to the public and submitted to HUD.
