MONTEREY POLICE DEPARTMENT

## Drug Enforcement Administration National Prescription Drug Take Back Day

The Monterey Police Department participated in National Prescription Drug Take Back Day on Saturday, October 23, 2021. The MPD set up a booth outside of the police department where members of the community could drop off potentially dangerous prescription medications. The MPD collected a total of 94.5 lbs. of prescription medications to turn over to the DEA. Helping people dispose of potentially harmful prescription drugs is just one way the MPD is working to reduce addiction and overdose deaths.

## Case Study - John Doe 1021 (October 2021)

In an effort to explain some of the challenges faced by the MPD in trying to problem solve through a variety of ways, these case studies highlight aspects that the MPD and partners in MDOT face while attempting to resolve issues. This month we wanted to highlight a case study related to a person who continues to be arrested and reappear in our community as a prolific burglar.

- John Doe 1021 is a 48-year-old male living on the Monterey Peninsula with an extensive history of thefts and burglaries. Doe 1021 moves from one apartment/motel room to another, with no stable living situation. Doe 1021's criminal history began in 1996, with his first arrest for theft in a Bay Area County.
- Since 2007, Doe 1021 has been mentioned, either as a suspect or non-involved person, in 33 reports by the Monterey Police Department. The Monterey Police Department has arrested Doe 1021 (12) times.
- Doe 1021 has been arrested for the following crimes: burglary, attempted burglary, prowling, possession of stolen property, possession of burglary tools, possession of controlled substance, possession of drug paraphernalia, contributing to the delinquency of a minor, possession of marijuana for sale, and cultivating marijuana.
- On multiple occasions, the MPD has conducted probation searches at Doe 1021's storage lockers, or his relative's house. The searches often times result in MPD locating a plethora of property that is later tied to prior burglaries and or thefts around the peninsula.
- Any gap between Does 1021's contacts with local law enforcement tends to coincide with him being in custody. For example, MPD arrested Doe 1021 four times between 2011 and 2013. The next arrest of Doe 1021 by MPD was in 2017, this was because Doe 1021 was sentenced to 7 years (with 27 months suspended, meaning he was not incarcerated during those 27 months) in 2013.
- Between October 2021 and his arrest in November 2021, Doe 1021 was identified as the suspect in four separate burglary and/or prowling cases. Since 2020, Doe 1021 has victimized eight businesses in Monterey. The MPD booked Doe 1021 in jail after arresting him for the burglaries in November 2021. Doe 1021 was released from jail several days after MPD booked him and has a court date in January 2022.

## Narcan Administered Lifesaving

- Officers responded to a traffic collision and found the driver unconscious. An MPD officer administered Narcan and the driver regained consciousness. AMR transported the driver to CHOMP for medical treatment.
