Case Study - John Doe 1221 (December 2021) Update

In an effort to explain some of the challenges faced by the MPD in trying to problem solve through a variety of ways, these case studies highlight aspects that the MPD and partners in MDOT face while attempting to resolve issues. In this month's case we wanted to highlight another success and are updating the information pertaining to John Doe 1221 which was originally part of the December 2021 MPD monthly report.

- As was reported in December 2021 - The Monterey Police Department (MPD) had 229 contacts with John Doe 1221 from 2016 through 2021. The contacts primarily included public intoxication, Monterey City Code violations, probation violations and warrants arrests.
- Doe 1221 is on probation and his conditions include obeying all laws, not drink or possess alcoholic beverages and abstain from alcohol and places where alcohol is sold. For a two-year period between 2019 and 2021, Doe 1221 had twenty cases dismissed for furtherance of justice on the charges of public intoxication and disturbing the peace.

Update

As of April 6, 2022, the Veteran's Transition Center advised that John Doe 1221 completed treatment at Sun Street Rehabilitation Services after a sixty day treatment program. Doe 1221 is currently in transitional housing. The Monterey Police Department's Community Action Team was able to facilitate coordination with the Veteran's Transition Center and Sun Street Rehabilitation Services after Doe 1221 made the decision that he wanted to change his life. The MPD believes it can help make a positive impact one person at a time.

The Starfish Story

One day a man was walking along the beach when he noticed a boy picking something up and gently throwing it into the ocean. Approaching the boy, he asked, "What are you doing?" The youth replied, "Throwing starfish back into the ocean. The surf is up and the tide is going out. If I don't throw them back, they will die." The man said, "Son, don't you realize there are miles and miles of beach and hundreds of starfish? You can't make a difference!" After listening politely, the boy bent down, picked up another starfish, and threw it back into the surf. Then, smiling at the man, he said, "I made a difference for that one."

PRDS Murphy and Ofc. Perez represented the MPD at the Monterey Peninsula College Recruitment Fair.
