

MONTHLY REPORT

MONTEREY POLICE DEPARTMENT

MPD Commendation

"I am writing this letter to thank you for the sacrifices that you take for our safety. I know what you do for us must be hard and that you probably go through hardships...so I just want to show my gratitude. What you do is very important and is both helpful for our community and helps everyone in it. You bring both safety and calmness to everyone, especially the little guy who cannot defend or help themselves. You do so much for everyone that it is hard for me to summarize my thanks and gratitude in this letter. So, to sum it all up, thank you for everything. I am so thankful for what you do for us and so thankful that you bring both peace and justice to our society."

Case Study - John Doe 1122 (November 2022)

In an effort to explain some of the challenges faced by the MPD in trying to problem solve through a variety of ways, these case studies highlight aspects that the MPD and partners in MDOT face while attempting to resolve issues. This month's case study provides another challenging example.

John Doe 1122 is a 55-year-old unhoused individual. Doe 1122 has had 551 police contacts since 2001. Doe's 551 police contacts increased over the years for alcohol-related incidents. DOE 1122 has been arrested for trespassing, malicious mischief, alcohol violations, restraining order violations, and warrants.

DOE'S police encounters are for public alcohol consumption, public intoxication, and sit-and-lie ordinances. DOE 1122 will sit/lie blocking sidewalks in various parts of Monterey. DOE 1122 suffers from alcoholism. Doe 1122 has been offered numerous services to help assist him with alcoholism.

- DOE has over 30 CAT/MDOT assistance contacts since 2020: The Monterey Police Department has assisted DOE 1122 by:
- Taken to Sun Street Rehabilitation.
- Taken to DMV to obtain ID for medications
- Taken to CHOMP for sobriety detox and The Bridge Rehabilitation
- Taken to Chinatown Navigation Center
- Assisted and filled out intake paper work for living/ sobriety.

- Taken to Genesis House for Sober Living
- DOE 1122 has been refused services by Chinatown Navigation for rule violations
- DOE 1122 has been refused services by Sun Street for rule violations and personal hygienic violations
- DOE 1122 walked out of the hospital detox program
- DOE 1122 has been cited 33 times for having an open container of alcohol in public.
- DOE 1122 has been arrested 41 times for being drunk in public.
- DOE 1122 has been arrested 32 times for violating his probation (alcohol-related offenses).

Complaints related to DOE 1122 from citizens have increased. DOE 1122 will sit in public locations and stain the concrete area with his incontinence and lack of personal hygiene. DOE 1122 has refused all further assistance and sobriety methods to date. The MDOT team interacts with DOE 1122 on a constant and consistent basis.

Since 2017, DOE 1122 has had 18 case dismissals (Furtherance of Justice) from the District Attorney's office for alcohol (public intoxication) related arrests.

DOE 1122 is on informal probation (1) Year Starting in June 2022 for Drinking in Public. Part of DOE'S probation is to stay away from specific areas of the City of Monterey.

National Incident Based Reporting System

The Monterey Police Department (MPD) transitioned to the California and National Incident-Based Reporting Systems (CIBRS and NIBRS) on March 1, 2022 and has completed the required three (3) month validation period. CIBRS and NIBRS reporting meets state and federal data standards and supports the national transition to NIBRS. As the new data collection standard, NIBRS captures all offenses within an incident – up to ten crime occurrences, representing a substantial shift in crime reporting. The additional detailed crime incident data provides greater analytic capability and makes NIBRS a superior crime-reporting method when compared to the previously utilized Uniform Crime Reporting (UCR) standard. MPD has fully transitioned to NIBRS reporting and discontinued UCR reporting.

This new reporting yields a different format for data collection and is divided into Group A and Group B offenses. Group A offenses are the more serious crimes such as Murder, Rape, Robbery, etc. Group B offenses tend to be minor offenses, such as Curfew, Loitering and Vagrancy Violations, Disorderly Conduct, and Driving Under the Influence.

The data is grouped into three (3) crime categories of Crimes Against Persons (counted per victim), Crimes Against Property (counted per incident), and Crimes Against Society (counted per crime against society).

Crimes against persons include assault, homicide, human trafficking, kidnapping and sex offenses. Crimes against property include robbery, burglary, larceny-theft, motor vehicle theft, and arson. Crimes against society include drug/narcotic offenses, gambling, pornography, prostitution, liquor law violations, disorderly conduct, peeping tom, curfew/vagrancy violations, trespassing, driving under the influence, and weapon law violations.

Law enforcement agencies report data from each offense and arrest for Group A offenses, but report only arrest data for Group B offenses. There are more offenses reported in NIBRS, more details per incident, and arrests and offenses linked in NIBRS.
