## SAFETY TIPS FOR MOTORISTS

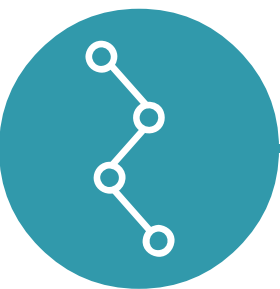

Bicyclists have a right to use **all roads**, except most freeways.

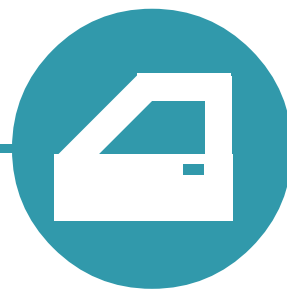

Don't honk your horn: bicyclists may be startled and lose control.

**3 FT**  
FOR SAFETY

When passing bicyclists allow **at least 3 feet** of clearance.

Be aware: bicyclists might **swerve or use the full lane** to avoid hazards.

Be careful: look for bicyclists before opening your car door.

When in doubt, **yield** to bicyclists.
