**Traffic Fatality**

On August 14, 2019 at approximately 8:59 a.m. a vehicle versus pedestrian traffic fatality occurred at Madison Street and Pacific Street, Monterey. The Monterey Police Department (MPD) and Monterey Fire Department were on-scene immediately after the accident occurred. Unfortunately, the pedestrian succumbed to injuries at the location of the collision.

The Monterey County Sheriff-Coroner investigator arrived and is in the process of notifying the pedestrian's family. Information related to the pedestrian's identification should be directed to the Sheriff-Coroner.
