**S/V "MAIDEN" SAILING YACHT FEATURED IN DOCUMENTARY
FILM TO VISIT MONTEREY AND OFFER PUBLIC TOURS
Friday, October 11, 2019 from 11:00 AM to 3:00 PM**

Monterey, CA. – The S/V "Maiden" competed in an around-the-world sailing race in 1989-1990 that featured a first-time all-female crew. Sony Pictures recently released a full-length feature film telling the story of the 26-year-old Captain Tracy Edwards MBE (Member of the Most Excellent Order of the British Empire) and the incredible journey by her and her crew. **The S/V "Maiden" is visiting Monterey on Thursday, October 10 through Saturday, October 12, 2019** on the guest dock at the end of Old Fisherman's Wharf (California Dock) as part of a California tour.

Captain Edwards founded The Maiden Factor Foundation, a non-profit that works with charities to provide an education for girls who do not currently have that basic human right. In dedication to the work of the Foundation, the vessel is open dockside for public educational tours for kids and adults on Friday, October 11 starting at 11:00 a.m. and continuing into the afternoon until at least 3:00 p.m. Skipper Wendy Tuck will be the host. The media and residents are also invited to greet them when they arrive on Thursday, October 10 sometime between 11:00 a.m. and 12:00 p.m.

Community members are encouraged to participate in this unique opportunity.
