## 64<sup>th</sup> ANNUAL CUTTING DAY AND HORTICULTURE FAIRE Saturday, March 21, 2020

Monterey, CA. – Monterey Parks Division's 64th annual *Cutting Day and Horticulture Faire* will be held Saturday, March 21, 2020, from 9:00 a.m. until 12:00 p.m., in Friendly Plaza, 580 Pacific Street. Residents are asked to bring their plants and cuttings to the drop off point on Pierce Street, next to Colton Hall.

In addition to the expected bounty of cuttings, plants will be donated by *Drought Resistant Nursery, Del Rey Oaks Gardens and Rana Creek Nursery*. This year's event will include a display on drought tolerant plants, a demonstration on how to take cuttings, and plenty of free advice from our garden experts. Monterey Pine, Coast Live Oak and California Walnut tree seedlings will be given away.

Thank you to volunteer assistance provided by the Kiwanis Club of Monterey, Volunteers in Parks, and the Monterey Library. Thank you to the Portola Plaza Hotel & Spa for providing coffee. The Monterey 250 Committee will have a booth with swag items and information about Monterey's 250<sup>th</sup> birthday activities planned for early summer. This event will be held rain or shine.
