CITY OF MONTEREY TO EVALUATE PARKING PROGRAMS Residents and Businesses Encouraged to Take a Survey and Attend Virtual Town Halls

Monterey, CA. – The City of Monterey is currently conducting several parking program evaluations. Residents and businesses are encouraged to submit their feedback in a parking survey and by attending two virtual town halls. The outcome of these evaluations will focus on optimizing operations and improving the overall parking experience for residents, businesses and visitors. The City of Monterey thanks the community for their participation and feedback.

The Monterey Parking Evaluation Survey includes questions about commute and parking patterns, parking and transportation project priorities, discount and residential parking permit programs, neighborhood parking conditions, enforcement and more. Take the survey by September 24th at www.surveymonkey.com/r/MontereyParkingEvaluationSurvey.

In conjunction with the survey, the City of Monterey will host two virtual town halls in September, to review the preliminary results of the survey and continue dialogue about resident and business parking priorities:

- **Business Community Meeting** on Wednesday, September 15 from 2-4 p.m.
