### **LIGHTHOUSE TUNNEL CLOSED BOTH DIRECTIONS OVERNIGHT FOR ROUTINE INSPECTION AND MAINTENANCE, 10:00 PM TO 5:00 AM Tuesday, October 26 and Wednesday, October 27, 2021**

Monterey, CA. – Monterey’s Lighthouse Tunnel is scheduled to be closed, in both directions, starting at 10:00 p.m. and reopening by 5:00 a.m. on Tuesday and Wednesday nights, October 26 and 27, 2021. Traffic control and detours will be in place. Traffic will be diverted onto Pacific Street via Del Monte Avenue (heading towards New Monterey) or Lighthouse Avenue/Pacific Exit (heading towards Downtown).

“We are combining a scheduled Caltrans inspection with a routine inspection by City staff and consultants to reduce the time the tunnel is closed to traffic,” said City Traffic Engineer Andrea Renny. “Wednesday’s closure may be brief if Caltrans and consultants complete their inspection on Tuesday night.”

**LIGHTHOUSE TUNNEL  
TEMPORARY NIGHT CLOSURE**

[monterey.org/newsroom](http://monterey.org/newsroom)

**FULL CLOSURE:**  
10/26 and 10/27 overnight starting at 10 PM, reopening at 5 AM  
Traffic control and detours will be in place. Traffic will be diverted onto Pacific Street via Del Monte Avenue (coming from Monterey) or Lighthouse Avenue (coming from Pacific Grove).
